Dear Ms. Jacob:

I have been requested to respond to those areas of your November 7, 1984, memorandum to Del Rector regarding Ren Plastics Company, Meridian Township, which pertain to the Groundwater Quality Division.

Ren Plastics has no pending or existing water permits.

The Company's overall compliance history relative to our Division's involvement has been one of the company's attempting to gain compliance when a problem has been brought to their attention.

If you have any questions regarding this matter, please do not hesitate to contact me at this office.

Sincerely,

GROUNDWATER QUALITY DIVISION
